

February 2023

TO: **ARTS & CRAFTERS, NOVELTY/FLEA MARKET/ COMMERCIAL/
SPECIALTY VENDORS/MILITARY**

FROM: Barbara A. Haluszka, Executive Director

Here we go! It is time to get ready for the 2023 Battle Creek Field of Flight Air Show and Balloon Festival JUNE 29 through JULY 4! And, we are sure you will be thrilled with this summer's event!

Please take a minute and review the Tentative Schedule of Events, as I am sure you will agree that we have a great deal happening on our schedule thus far. We have Community Kick off Day with \$10 Parking and "Free" Admission, up to 50 Hot-Air Balloons, Skerbeck Carnival, great bands on stage, two huge Fireworks Display, two Balloon Illumes, World's largest Kite Flying with Great American Kites, Victoria Circus with Motorcycle Stunt Show and High Wire performances, and.....Four (4) AMAZING AIR SHOW DAYS featuring the US Air Force F-22 RAPTOR Demonstration Team and the US Air Force A-10 Thunderbolt Heritage Flight! In addition, let us not forget that the Air Shows will be five (5) plus hours long and filled with the top civilian aerobatic performers including Firewalker International Pyro and the Wall of Fire! Twilight and Night Air Shows and so much more!

Please be sure to read all the information we provide so that there are no surprises! It is also very important that everyone understand that NO generators will be allowed in the Crafter/Novelty/Flea Market area. There is limited power supply for Specialty/Commercial Vendors only. We strongly urge all vendors to bring "solar lights" to have around their Tent/Booth for lights in the evening. We do have light carts and the Food Vendors generate a great deal of light as well.

Now, all you need to do is submit your application and send 100% of your booth rental fee. We will review each application and notify you of your acceptance. We will NOT deposit your booth rental check if we are not going to accept you; we will simply notify you and then void the check. Please remember that we only have so much room and we limit the number of duplicate booths. We want everyone to make money and to be happy! We normally accept up to 60 "All Other Vendors" (excluding Food). Therefore, the sooner you send us your information the better your chances are of being accepted! We will accept applications until June 15, 2023, providing space is still available.

Thank you so much for your interest and please do not hesitate to contact me at the office 269-962-0592 or email me barb@bcballoons.com should you have any questions or concerns!

Hope to see you here!

Be sure to put all garbage in the Dumpsters and DO NOT leave it on the ground next to the dumpsters! Product left on the ground will create a huge mess and a fine WILL BE ASSESSED to anyone found leaving such.

We also ask that you not dispose of any of your garbage in the Spectator Trash Barrels! Please use the Dumpsters located behind your Food Trailers. Thanks Much!

We are currently trying to secure "Grease Dumpster". Should this happen, we will provide you with the location of the Dumpster upon arrival and set up. Should not be successful in obtaining such, all vendors will be required to take their used grease with them.

ALL OTHER VENDORS:

You too need to plan to use the Cardboard Dumpster and please breakdown your boxes. If you need assistance with transporting your broken down boxes, please ask "Kay" Vendor Chair or someone from the Launch Site Team for assistance.

As for your Garbage, please be sure to bag it up and put it outside your booth each evening and our Launch Site Team will be happy to swing by and pick it up for you! Let's leave the Trash Barrels for the Spectators. Should you need help during the day with your garbage, please let Kay or the Launch Site Team know! Members from the Launch Site Team will be around daily to collect any garbage you might have bagged and ready for the dumpster. Do not leave full bags of garbage outside your tent in the evening.

Keeping the grounds clean on a daily basis is a great deal of work and if we all work together, it will stay nice! So, to ensure your area is cleaned and all garbage has been removed, we will be charging and collecting a \$100 CASH Deposit from you. This fee will be due upon arrival. We will keep it in an envelope for you and after you have torn down your booth and cleaned your area, we will be around to inspect your area and return your deposit if your area is free of debris. Please do not leave before your area has been inspected or it could result in forfeit of your \$100 deposit.

THANK YOU!
