

**BATTLE CREEK** FIELD OF FLIGHT  
**AIR SHOW & BALLOON** FESTIVAL

February 2022

**TO: Non Profit Groups looking for a GREAT FUNDRAISER**

**FROM: Barbara A. Haluszka, Executive Director – E-mail: [barb@bcballoons.com](mailto:barb@bcballoons.com)**

The plans for this summer's Battle Creek Field of Flight Air Show and Balloon Festival June 30 – 4, 2022, are flying high and we invite you to be a part of the excitement and have fun **raising money for your non-profit organization!**

This opportunity is truly a great time and a great way to support a huge community event, not to mention a fantastic fundraiser for your organization. Now, here is how it works. You as a non-profit organization would be apart our Parking Committee and handle the parking of thousands of vehicles during the Battle Creek Field of Flight. By doing so, your organization will share in 20% - 25% of the revenue collected (from the parking fee) during the entire event and achieve \$\$\$\$\$\$! Basically, if your group chooses "Option A" you will more than likely achieve over \$5,000! This is truly a lot easier than selling candy bars and it is a great deal of fun to do it as an organization, a club, a church, school sports, etc.

I can honestly tell you that the weather will play an important part! When the weather cooperates, we excel in all areas! When the weather does not, revenues will be down for all involved. For the most part, we have been blessed with pretty good weather but I anticipate 2022 will be off the charts!

Now, to accomplish our goal, we are looking for five (5) to six (6) groups or organizations to commit to this outstanding opportunity. In order to achieve the top dollar bracket, you really want to be working every day and all day, which is "Option A". However, the following is your guide or choices for participation.

Option A: Provide 6-8 individuals to work every day and all shifts.

Option B: Provide 6-8 Individuals to work every day for two (2) shifts (8 hours per day).

Option C: Provide 6-8 Individuals to work three (3) days (July 2-4) for two (2) shifts ( 8 hours per day).

Please understand priority will be given to those groups that can handle "Option A" and who participated with the 2021 Field of Flight . However, don't hesitate to contact the Field of Flight Office to discuss any thoughts you might have.

Once you have decided to be a part of this great opportunity, we need you to complete the "Commitment Form" and email it to me ([barb@bcballoons.com](mailto:barb@bcballoons.com)), fax it 269-962-8687 or send it via mail on or before May 1, 2022, to secure your participation. You will receive confirmation for participation and we will confirm a meeting date and time for all accepted groups.

Once you receive official confirmation, we do suggest that you begin rounding up your volunteers. We also suggest that you find five (5) key people to help you organize and recruit volunteers. Each key person would handle rounding up the volunteers for one (1) of the days each....encourage family and friends to help! Great way for the kids to earn their National Honor Society Hours.

I truly look forward to hearing from you but in the meantime, if you have any questions, please feel free to call the Balloon Office at 269-962-0592.

## June 30 – July 4, 2022

### TENTATIVE PARKING SCHEDULE

**PLEASE NOTE:** These totals are based on a minimum of four (4) Groups providing 6-8 PEOPLE to work each day, all day; in our Main Parking Lot. And, one (1) Group providing 6-8 PEOPLE to work each day, all day; South Airport Road Lot. Please remember you can schedule your volunteers with a different “shift” breakdown. This is just our suggested “shifts” which are a four (4) hour blocks. Just understand that the maximum you will get credit for is 6-8 People per day (unless another group needs more volunteers to fill their obligated amount).
