We have a free Handicap Shuttle Service that will transport handicap people from their Vehicle parked in our lots, Sponsor Parking Lot Signs, Handicap Parking, etc., to the event grounds/gate admissions. We use Six passenger carts and can transport up to five people per run. We also have a Vendor that rents handicap carts that are permissible to have on the event grounds. These carts are at the Main Gate.

The Parking Lot off Helmer Road, with Denso Gate #17 and JB Whiskey Grill Gate #16, will be divided in to four sections. The Company/Sponsor Signs will be in these sections and a minimum of four (4) Different Colored Flags will be in place; please remember that GREEN Flags are for Handicap Parking and not part of the four (4) that will be in the sections. These Flags are for the Parking Committee to better direct the Shuttle Team to the location of where they have handicap visitors/spectators needing a ride and this will be a designated area for pick up and drop off.

Spectators arriving and in need of a Shuttle should alert a member of the Parking Committee (they will be wearing an Orange or Yellow Vest and have a Radio). The Parking Committee will direct you to first park and point you to the nearest entrance to the event grounds or Shuttle Service Pick up.

The Parking Lot located off South Airport Road is called BLUFISH and also has Shuttle Service. Simply tell the Parking Committee Volunteer with a Vest and Radio that you will need Shuttle and they will call for the Shuttle Service and direct you to the proper waiting area.

Any Spectators wishing for a ride back to their vehicle area, at the conclusion of the event, will proceed out the Main Entrance or King Jewelry Gate to the Shuttle Service Waiting Signs.
